

## NYC COMPEL IS OFFICIAL

Led by Facilitator Irwin Gasner

We have officially launched our new COMPEL group in NYC! This new group consists of NYC-based companies generating up to \$50 million in annual revenue. We held our first official meeting last month with our 5 newest COMPEL members & we are so excited for the journey ahead. We'd like to give a warm welcome to all the new members of this group: **Ed Kamenitzer** of *KAM Hospitality*, **Michael Greenberg** of *Brown, Moskowitz & Kallen Law*, **Chany Rosen** of *Cavalry LLC*, **Leo Sancho** of *Elecnor Hawkeye*, and **Blake Tomnitz** of *Five Boroughs Brewing Co.*

**Irwin's take as a former peer-advisory group member:**

"Watching my dad operate his textile business inspired me to become an entrepreneur. After four decades, we sold the business but it was not an accident. Without the help of my peer-to-peer group, it would never have happened."

## WOMEN IN BUSINESS

Women's History Month

In honor of Women's History Month, we are celebrating all the boss women of COMPEL.

COMPEL couldn't be more proud of all the women CEOs in all of our groups. In total we have 14 women CEOs across 5 different groups. In our latest round of Launch by COMPEL, we had ALL female entrepreneur participants.

Did you know that 8.2% of Fortune 500 CEOs are Women? That's a new record!

## NEW GROUPS & MEMBERS

Another new facilitator joins the COMPEL community. We welcome John Yona, based in Los Angeles, CA. This group targets companies that generate \$1-\$5million in annual revenue. As always, members will focus on strategy & the expansion of current operations. John will help his members determine what they need to scale their business and fuel the next chapter of growth.

We have a new member in our Long Island chapter! Sam Janvey of I. Janvey & Sons has joined our E-level group. We are looking forward to the bright future ahead. Welcome to the COMPEL family, Sam!

## KICKOFF EVENTS

To officially launch John Yona's group, we are hosting a **kickoff event in May**. Keep an eye out for more details on this networking event!

We are also hosting an additional kickoff event in April for businesses with a company size of \$5mm-\$10mm, with approximately 10-50 employees. We will be having Michael Timmes from Insperity speak on change management and the psychological effects of interpersonal and organizational change.
